# IMMERSE YOURSELF IN THE RATCLIFFE EXPERIENCE

## Welcome from the Headmaster.

Ratcliffe College is a leading Catholic, independent, co-educational, boarding and day school for students aged 3 to 18, located in the heart of rural Leicestershire, central England.

We are delighted you have shown an interest in joining our Immersion Programme.

Designed especially for international students aged 10 - 17, our Immersion programme offers a unique opportunity to live and study in a traditional British, Catholic boarding school for two to four weeks during term time. With flexible entry points in the Autumn, Spring, or Summer Terms, our Immersion programme meets the needs of families across the globe.

Our uniquely designed Immersion Programme combines full participation in the British school curriculum with a rich variety of traditional cultural experiences, trips, and boarding activities each week. In addition, students receive specialist English Language lessons aimed at developing all core language skills, reading, writing, listening, and speaking.

As a Catholic school rooted in the Rosminian Charism, Ratcliffe College offers a warm and inclusive environment where every student is recognised as a unique part of God's creation. We nurture a strong sense of dignity, self-worth, and belonging, fostering supportive and caring relationships throughout our school community.

Becoming part of our busy school and diverse boarding community, which is home to over 20 nationalities, students live and learn alongside Ratcliffe students from the UK and around the world. They form lasting friendships, while developing independence and resilience, setting a foundation for potential full-time study abroad in the future.

Beyond the classroom, there are over 100 co-curricular activities each week to explore, ranging from Sport, Music and Drama, Debate and Outdoor Education, all aimed at nurturing creativity, teamwork, and personal growth.

With twice-weekly excursions to historic towns and cities across England, students will not only improve their English, but gain an understanding of British heritage and culture.

We look forward to welcoming you to Ratcliffe College.
